ROSLINDALE HIGH SCHOOL

POPLAR STREET

ROSLINDALE, MASSACHUSETTS

WILLIAM J. CUNNINGHAM
Head Master

Years from now you will look back with calm detachment on the excitement of your high school diploma and your graduation. By then you will know for sure what you only suspect now, despite our constant dinning, that that pretty pasteboard was only a ticket of admission to the world of further education, so necessary in the frenzied atomic, automated world of the sixties.

In this era of economic plenty, job opportunities exist but millions of young people your age are competing for them. Put yourself in the forefront of these ranks by further study. You have the capacity; maintain the desire and remember the adage that well begun is half done. Traditionally, we say "Hail and farewell." Yours is the first class to graduate during my term as Head Master, and for you I shall always have a particularly warm feeling.

You have been a fine class and the faculty join me in wishing you every success in your lifetime.

**Before you accept
that first job . . .**

**Look over
your
employer
as carefully
as he does
you**

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone Company . . . New England's largest employer.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.
